SUMMER READING BAGS

The Material Girls final big initiative for the year will be making mini origami bags to support the Flagler County summer reading program. We are off to a good start. Any ladies interested in sewing some of the bags let me know at the April meeting. I'll have fabric ready for sewing. Below I've included a link to a video to watch on how the bags are made. All bags need to be completed by May 20th. The plan is to bring the completed bags to the May Woman's Club meeting.

Mini origami bag for the Flagler County summer reading program.

Our April guests have been asked to arrive at 1:30 so we will be able to get everyone situated. Be sure to let Lucie or I know you will be attending so we have enough chairs.

APRIL MC MEETING

Plan on attending the next Material Girl's meeting. We will have fabric and Christmas stocking sets available for folks who would like to sew this summer. We will stuff abdominal pillows and bears for children in the county. Special guests from the AdventHealth Foundation Hospital John Subers and one other hospital staff will be at the meeting to see everyone in "action" and to express their gratitude for all of the items made and donated by the residents of Grand Haven. It will be a fun time to work together and enjoy each others company.

FABRIC AND YARN DONATIONS

Please remember to keep your eyes and ears out for neighbors, friends and friends-of-friends who are moving or looking to get rid of cotton fabric and yarn. The Material Girls are always happy to receive donated items we can possibly use for projects throughout the year. We will even find homes for crafty items we are unable to use. This year we were very fortunate to be gifted yards and yards of cotton fabric that did not sell at a quilters sale. That fabric has all been made into abdominal pillows and bears with just a few scraps leftover.
