

POLICY NAME: Lunch Reservation Policy

EFFECTIVE DATE: December 2021 - Approved at the 12/13/2021 Board Meeting

- When a member makes a lunch/meeting reservation and cancels prior to the reservation deadline, their luncheon payment will be refunded to them.
- If the member has to cancel after the reservation deadline, the member will be responsible for that payment (without refund) unless their spot can be filled with someone from the waitlist.
- The exception to the above policy would be in the event of the death of an immediate family member (spouse, child, parent, sibling or grandchild).
- The Grand Haven Golf Club's lunch/meeting invoice to the GHWC is based on the number of reservations confirmed on the reservation deadline date.
